# Orientation to the Refugee Experience for Schools

A one hour presentation specifically designed for upper primary and secondary school students

## Workshop Outline

This workshop has been designed to provide students with background knowledge about the 'refugee experience'. It aims to develop awareness, and therefore foster understanding, of the reasons people become refugees and asylum seekers as well as some of the issues which confront people on arrival in a new country like Australia.

## Objectives

*At the end of the workshop students will be able to:*

- Identify and define the difference between a refugee and an asylum seeker
- Identify experiences that refugees and asylum seekers have had
- Identify barriers that people face in Australia
- Demonstrate their knowledge via discussion and in writing

Please contact ASeTTS to book this one hour workshop for your organisation.  
Workshops can be conducted at ASeTTS or at your premises.

Cost: Government Schools - \$150.00 / Non-government Schools - \$200.00
